

Style & construction

Use one pack per style. Attach drawings and reference images. Record the revision used for quotation and sample approval.

FIELD	COMPLETE FOR THIS PROJECT
Brand / contact	
Style name / reference / revision date	
Garment type and intended use	
Fit / size range / measurement units	
Total quantity / breakdown attachment	

01 / BILL OF MATERIALS

COMPONENT	MATERIAL / WEIGHT	COLOUR / FINISH	SUPPLIER NOTES
Main fabric			
Panels / lining			
Trims / hardware			

Seams, stitching, reinforcement and construction notes

Specify any required performance claims and the evidence needed to support them. Availability and testing requirements must be confirmed for the selected materials and finished garment.

Measurements & approvals

Style / revision: _____ Units: _____ Date: _____

02 / MEASUREMENT CHART

POINT OF MEASURE	SIZE 1	SIZE 2	SIZE 3	SIZE 4	TOLERANCE

Define how each measurement is taken. Label size columns and attach a measurement diagram; specify whether measurements apply before or after washing.

03 / DECORATION AND PACKAGING

FIELD	COMPLETE FOR THIS PROJECT
Artwork file / version and colour references	
Decoration method, position and size	
Labels, care instructions and pack format	

04 / SAMPLE REVIEW RECORD

SAMPLE / DATE	REQUIRED CHANGES	REVIEWER / NEXT STEP

Record approval separately for fit, materials, artwork and packaging. Keep the approved sample and final specification revision as the production reference.
